This 3-bedroom, 1.5-bath home on a corner lot in Orion combines vintage character with modern functionality. Featuring two separate 2-car garages (including a 20x18 garage), there's no shortage of storage or parking space. Inside, you'll find original woodwork, stained glass windows, curved walls, and interior doors that exude 1900s charm. The spacious rooms include a large kitchen with recessed lighting, a center island with storage and seating, and a walk-in pantry. The kitchen also provides convenient access to the porch. The primary bedroom offers private access to the shared full bath, which features a walk-in shower, a separate jetted tub, and an adjoining laundry room. Outside, a generous porch and deck wrap around the side and back of the house, perfect for enjoying the outdoors. Recent updates include a 2013 kitchen remodel and newer windows. Don't miss this unique opportunity in Orion—schedule your showing today!
